

Subject: Motivation letter for Turkey scholarship

Dear Sir/Madam

I want to express my gratitude to **(University name)** for this program. With this letter, I would like to apply for the Master program in **(Subject name)** at **(University name)** university for the session 2019/20

I appreciate this special opportunity to introduce myself. My name is **(your name)**. I have finished my bachelor studies in **(your subjects)** as I always had an interest and passion for **(your main subject)**.

While I was a student of bachelor, I always had this possibility in my mind. I never wanted to miss the opportunity. It is because of valuable resources and highly qualified education offered by this university. This opportunity will help me to increase my knowledge to expertise level. Moreover, It is a great privilege to be around highly competent students from all around the world, who are desperate to improve the world. It will also give me a chance to learn more about the culture of various countries that how we can make this world a better place by serving the humankind.

I have chosen a subject that combines both the arts and sciences. It empowers the students to express themselves through interpretation and analysis. I have much interest in it because it goes in perfectly with my career aims. I always feel motivated to learn more about **(your subject)**, and I have decided to continue my studies on this subject.

On the other hand, I want to arm myself with the skills and capabilities that are required to lead and inspire. After earning a **(your subject)** degree, I aspire to return to my country to apply the experiences I gained during my study experience in Turkey. With my education, I can help people get what they need, giving them the best chance of finding their success. I have always dreamt of improving the quality of life for countless families to come. While as a student of bachelor, I served as a volunteer for an organization to help **(Organization objectives)**. So, I want to contribute to the disadvantaged population in my country. The first project I want to accomplish is the establishment of a **(your plan according to your subject)**. I aim to enable low-income people to receive affordable attention regardless of their background. I am always keen to get involved in helping others.

I am applying after carefully examining the course curriculum, and I would like to get an opportunity to attend this program. I am aware of the high investment of efforts I will have to place to fulfill my dream. I realize I have to work to serve the country when I'm returning to it. I understand, This scholarship is attracting highly competent and motivated students, but I consider I have the determination to achieve my goals, and it gives me a strong recommendation. It will be a great courtesy if you decide to accept my candidateship for Master studies.

Sincerely,

Name and Surname of the Applicant.
